

# Iowa's Per Capita Income Rank Increases

Numbers released by the U.S. Bureau of Economic Analysis, show that Iowa ranked 29<sup>th</sup> among states in per capita income in 2008; it was 31<sup>st</sup> in 2007.

Iowa's per capita income for 2008 was \$36,680, a 5.1% increase over 2007. Even though Iowa was below the 2008 national average (\$39,751) in per cap-

ita income, Iowa's increase was almost double the national percentage increase of 2.9%.

Iowa's per capita income was 92.3% of U.S. per capita income in 2008, up from 90.4% in 2007.
